WATER & PARKING:

Water is included in monthly slips fees, except for slips which are designated as Commercial. Parking is \$100.00 per month, per vehicle.

ELECTRICITY:

Electricity to each slip is metered individually, thus you pay for only what you use. Rates are based on local costs from the provider, plus an administrative fee. Electricity is billed one month behind, so you will not see an electric charge on your first month's statement. Boaters are responsible for their last month's electric charges at the time of their departure.

PERFORMANCE FEE:

Performance Fee is equal to one month's total slip fee and is required prior to entry into the Marina. Fee will be refunded within 30-days of vacating, assuming all vacating procedures were followed.
